"The Fourth Night Program" is intended to provide a most friendly and unthreatening means of learning and practicing essentials in the new master mason's continued Masonic experience and service to his lodge and the brethren. As it takes place in open lodge, the program represents the opportunity for the new mason to feel a growing familiarity with his own immediate body of the Craft while emphasizing the lodge's interest in its new brother as a person. The program can accommodate a number of new master masons at one time. Such a "class" will greatly enhance the feeling of the individual brother that he is a part of a band united in purpose and in brotherly love.

Please notify the secretary if your address changes. With our 47 current members I have been getting at least 1 address change per month and currently do not have a working address for one member- Gregory Carver.

Stated meeting are on the third Wednesday of the month at 7:30 with a 6:30 supper
